## THE CLASSIC - 850MM WIDE ROLLER BANNER

### SUPPLIED ARTWORK:

Please supply Artwork as Quark Xpress, Illustrator, Photoshop, InDesign or High-Res PDF.  
Do not add bleed but ensure that artwork reaches edge of print area.  
Quark may require files to be set at 25% but please try to supply at 50% or 100% of final size.  
Images should be over 100dpi at final size, however 150-300dpi is preferable, and supplied as CMYK.  
TIF files are always preferable to compressed JPGs.  
Please supply all fonts or, if possible, convert the fonts to outlines.  
Don't forget to supply any linked files/images or, if possible, embed them within the document.

### COLOUR MATCHING:

If an accurate colour match is required then please supply a Pantone Colour or printed reference.  
We will endeavour to match colours as closely as possible.

### SENDING FILES:

Files under 50Mb can be sent directly to our email address.  
For files over 50Mb we can accept CDs, DVDs and Thumbdrives or you can Upload to our FTP site.  
Please compress before sending (zip, rar or sitx) especially if you include fonts as these *will* corrupt.

### REMEMBER:

We're here to help, if you have any questions please just give us a ring!
